PLEASE READ CAREFULLY
PARENTAL AUTHORIZATION FOR STUDENT'S INTERNET ACCESS**

I hereby certify that I have read the attached Board Policy and Rules and Regulations regarding the use of the District's Internet account.

I understand that the Internet is an electronic means for connecting computers and individuals throughout the world and, as such, allows an individual virtually unrestricted access to these individuals and the information contained in these computers. I further understand that the Internet is a valuable educational resource and the School District intends to utilize the Internet in a manner that is consistent with the educational mission of the School District.

I understand information that may be accessed through the Internet may be socially inappropriate, inappropriate due to the maturity level of the student, illegal, violative of the rights of others, or offensive to certain people. I also understand that it is possible to incur unauthorized charges or purchase certain goods and services via the Internet which could result in unwanted financial obligations for which my student or myself may be held liable.

I understand that although the Board Policy and Rules and Regulations restrict my student's use to acceptable educational uses, the School District may not be able to prevent students from using the Internet in a manner that is prohibited by the policy and its Rules and Regulations. Therefore, I understand that the District cannot guarantee compliance with the District's acceptable use policy and that I may be required to take full responsibility of my student's unacceptable or illegal use of the Internet.

Based upon these understandings, I hereby request that my child be allowed access to the Internet throughout the School District and agree to hold harmless the Minooka School District 201, its employees, agents, and Board members, for any harm caused by materials or software obtained via the Internet. I accept full responsibility for supervision if and when my child's use of the Internet is not in a school setting, and thus not on the District's Internet account. I hereby request that my child be allowed access to the Minooka School District 201 Internet.

We understand that any unacceptable use shall be grounds for the denial, revocation, or suspension of the student's Internet privilege; may result in additional discipline up to and including expulsion from school; and may result in criminal or civil penalty. We understand that the District makes no warranties of any kind, whether express or implied, regarding the Internet, and bears no responsibility for accuracy or quality of information or services or the loss of data. In addition, we agree to indemnify the District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District relating to, or arising out of, any violation of these Rules and Regulations and any unauthorized charges of fees, including telephone charges, long-distance charges, per-minute subcharges, and/or equipment or line costs.
