Fourth Grade Music Program News

The Aux Sable Elementary School Fourth Grade Music Program will take place on Monday April 14, 2008, at 6:00 p.m. in the gymnasium. The students have been working diligently to prepare a wonderful program. We will see you there!

Nutrition News

The most important meal of a child’s day is breakfast. It provides nutrients and energy he or she needs to concentrate in school. Research even shows that kids who eat breakfast get better grades, pay more attention in class, and behave better. Help your youngster begin his or her day on the right foot.

Suggest several healthy breakfast items, and let your child choose. *Tip:* If your youngster doesn’t like to make decisions first thing in the morning, give him or her breakfast choices the night before.

Give your child a mix of protein and carbohydrates. The carbohydrates boost energy and help your child jump-start the day, while the protein keeps the going strong until lunchtime. (Source 2008, Resources for Educators)

Third Nine Weeks Ends on April 11, 2008

The Third Nine Week Grading Period ends on Friday April 11th. During the course of the Fourth Nine Weeks teachers and students at all grade levels will have much curriculum to teach and/or learn prior to the promotion of students. It is imperative that students are in attendance daily and working toward constant academic improvement. During the time remaining we will be able to gather additional data on all students to assist us in placement at the next grade level, or in some instances, in Summer School.
