Mini-relay for Life

On May 9th, we will have our min-relay for life during PE classes. Because so many people are affected by cancer, the American Cancer Society has donated 600 stars and moons to our school for hanging on our walls. Each student can purchase a star for a dollar to commemorate someone they know who is a survivor or victim of cancer. All proceeds will go the American Cancer Society.

Additionally, we will collect change from classrooms to donate to the Society. The classroom donating the most change will receive a pizza party.

Finally, buy a piece of duct tape for a dollar and witness Mr. Schramm being duct taped to the wall.

Our school will be recognized at the Grundy County Relay for Life Event of May 10th and 11th.

Registration is in person only. Present your library card (or your parent's) and \$3.00 per person for Shorewood patrons and \$5.00 per person for all other library patrons, to receive your book-log and packet of information. Then start reading!
