Principal's Message

Mrs. Natalie Baxter-Principal

On September 16th, the District Transportation Committee met to discuss District boundaries and in particular, the possibilities of a boundary change to lessen the student population of Aux Sable Elementary School, starting with the 2011- 2012 School Year.

The District wishes to have input from the public prior to any formal decision being made; and as such, public forums have been scheduled. The forums will be held to discuss a proposal to shift the Lakewood Trails East subdivision back to Minooka Elementary School. The dates of the public forums are October 5th at Minooka Elementary School and October 7th at Aux Sable Elementary School. Both forums will begin at 7:00 p.m.

If you have any questions regarding the public forums, please call either Aux Sable Elementary School or Minooka Elementary School between the hours of 8:00 a.m. and 4:00 p.m., Monday through Friday.

Yours through education,
Natalie Baxter
