Principal's Message

Ahhhhh! Finally the promise of spring has come with the arrival of warmer temperatures. The children have been getting outside to play during recess and are really enjoying themselves. We really have wonderful grounds for our students during the school day in which to play. The school grounds are also used throughout the spring and summer months as Indian Park as well our baseball, basketball and soccer fields lend themselves to a great gathering site for friends and families alike. We take great pride in our grounds and would like to keep up on needs that should arise as to not compromise safety. If you should be visiting MES, please help us by reporting any safety issue or vandalism to our school. We will work hard to maintain a safe place for our students and families to enjoy throughout the entire year.

Yours in Education,
Mrs. Natalie Baxter-Principal

MES Mission Statement

Our staff at Minooka Elementary School is dedicated to providing an excellent education in a safe and caring learning environment that allows all children to academically and socially improve themselves for today and tomorrow

Recycle with MES!

Our fourth grade students sponsor a recycle program throughout our school year. The big green and yellow bin is located at the south end of our building. This recycling is a fundraiser for our MES students. Please consider bringing paper products for recycling to MES and drop them into our bin. This recycling fundraiser is available throughout the year, so please continue to do so throughout the summer months.

ART NEWS!
