

Welcome an International Student Into Your Home

Minooka Families, Become a Host Family with AFS, an organization with over 70 years of experience in student exchange and international education. Contact us now to host a student for the next school year!

The benefits of hosting an exchange student are limitless:

LIFELONG BONDS

Form real, lasting relationships

Gaining a new son or daughter is a truly life-changing experience. You can form bonds for your family that span the globe and last a lifetime.

NEW INSIGHT

See your own world differently

Host families develop new ways of seeing their own family, community and culture when they look at it anew through their student's eyes.

AWARENESS

Gain new cultural understanding at home

Expanding your family's horizons means learning about a different culture and way of life through sharing meals, traditions, and stories.
