WebMATH
Solve your math problems today.

Name of the Program	Web Math
Source	www.webmath.com
Cost	free
Intended Use/Skill	Math Skills/Homework Help
Target Age	K-12
Summary of Program: Webmath is a math-help web site that generates answers to specific math questions and problems, as entered by a user, at any particular moment. The math answers are generated and displayed real-time, at the moment a web user types in their math problem and clicks "solve." In addition to the answers, Webmath also shows the student how to arrive at the answer. In addition, there is a parent and student link. Under these links, there additional resources. You can take virtual field trips. There are also several interactive games and a puzzle maker available.
