

2018-2019 REGISTRATION INFORMATION

Registration for the 2018-2019 school year will begin on Monday, April 9, 2018. It is essential that we have accurate student data for all students enrolled in our District before the end of the 2017-2018 school year to assist us with planning, staffing, and establishing the new bus routes for the coming year. **Students that have been completely registered by May 15, 2018 will receive a discount of \$30 on the registration fees.** More details on the student fees can be found below. Thank you for your continued support of our schools as we attempt to best meet the needs of our students, families and community.

Enrollment/Re-enrollment/Residency

Please be alerted to the fact that Minooka District 201 will again require all new and returning students to establish residency in order to be enrolled for the next school year. All new families will be required to register their children in person at one of the schools. Please understand this practice is done in an effort to protect our taxpayers. **Non-residents will need to enroll in the school district where they reside. Proof of residency will be required for all returning students.** Students will not be allowed to register for the next school year without providing proof of residency. Two current proofs of residency are required from the lists below:

Category 1 (One proof from this category) **AND** Category 2 (One proof from this category)

Valid Home Ownership title or deed

Current Property Tax Bill

Lease or Rental Agreement (apartment or home)
